### INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

Applicant's or agent's file reference LLB-10152/04	<b>FOR FURTHER ACTION</b>	see Notification of Transmittal of International Search Report (Form PCT/ISA/220) as well as, where applicable, item 5 below
International application No. PCT/US00/40760	International filing date ( <i>day/month/year</i> ) 28 August 2000 (28.08.2000)	(Earliest) Priority Date ( <i>day/month/year</i> ) 26 August 1999 (26.08.1999)
Applicant Lassovsky, Leon A.		

This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.

This international search report consists of a total of 3 sheets.

It is also accompanied by a copy of each prior art document cited in this report.

**1. Basis of the Report**

a. With regard to the **language**, the international search was carried out on the basis of the international application in the language in which it was filed, unless otherwise indicated under this item.

☐

the international search was carried out on the basis of a translation of the international application furnished to this Authority (Rule 23.1(b)).

b. With regard to any **nucleotide and/or amino acid sequence** disclosed in the international application, the international search was carried out on the basis of the sequence listing:

☐

contained in the international application in written form.

☐

filed together with the international application in computer readable form.

☐

furnished subsequently to this Authority in written form.

☐

furnished subsequently to this Authority in computer readable form.

☐

the statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished.

☐

the statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished.

2. ☐ **Certain claims were found unsearchable** (See Box I).

3. ☐ **Unity of invention is lacking** (See Box II).

4. With regard to the **title**,

☐

the text is approved as submitted by the applicant.

☒

the text has been established by this Authority to read as follows:

Luminaire Module Having Multiple Rotatably Adjustable Reflectors

5. With regard to the **abstract**,

☐

the text is approved as submitted by the applicant.

☐

the text has been established, according to Rule 38.2(b), by this Authority as it appears in Box III. The applicant may within one month from the date of mailing of this international search report submit comments to this Authority.

6. The figure of the **drawings** to be published with the abstract is Figure No. 23

☒

as suggested by the applicant

☐

None of the figures

☐

because the applicant failed to suggest a figure

☐

because this figure better characterizes the invention

## Box III TEXT OF THE ABSTRACT (Continuation of Item 5 of the first sheet)

### NEW ABSTRACT

A module (302) for forming a modular luminaire (300), in cooperation with the second module (304), has a housing (308) with a cavity. The housing (308) is designed to be mounted within a luminaire frame or to one end of a luminaire shell (306). The module includes at least one bulb holder (314) that is supported by the housing (308) and multiple rotatably adjustable reflector holders, also supported by the housing (308). The holders are each designed to engage one end of an elongated reflector (318) so as to support it. The module also includes at least one adjustable knob (326) that allows the rotational position of at least one of the reflector holders to be adjusted.

Applicant  LASSOVSKY, LEON A.	

1. The applicant is hereby notified that this International Preliminary Examining Authority transmits herewith the international preliminary examination report and its annexes, if any, established on the international application.
2. A copy of the report and its annexes, if any, is being transmitted to the International Bureau for communication to all the elected Offices.
3. Where required by any of the elected Offices, the International Bureau will prepare an English translation of the report (but not of any annexes) and will transmit such translation to those Offices.
4. **REMINDER**

The applicant must enter the national phase before each elected Office by performing certain acts (filing translations and paying national fees) within 30 months from the priority date (or later in some Offices)(Article 39(1))(see also the reminder sent by the International Bureau with Form PCT/IB/301).

Where a translation of the international application must be furnished to an elected Office, that translation must contain a translation of any annexes to the international preliminary examination report. It is the applicant's responsibility to prepare and furnish such translation directly to each elected Office concerned.

(54) Title: **LUMINAIRE MODULE HAVNG MULTIPLE ROTATABLY ADJUSTABLE REFLECTORS**

(57) Abstract: A module (302) for forming a modular luminaire (300), in cooperation with the second module (304), has a housing (308) with a cavity. The housing (308) is designed to be mounted within a luminaire frame or to one end of a luminaire shell (306). The module includes at least one bulb holder (314) that is supported by the housing (308) and multiple rotatably adjustable reflector holders, also supported by the housing (308). The holders are each designed to engage one end of an elongated reflector (318) so as to support it. The module also includes at least one adjustable knob (326) that allows the rotational position of at least one of the reflector holders to be adjusted.
